## WRITING

Hello, Alex,

Thank you for your letter.

I hope you have an amazing day, but sadly I have to cancel our plans. I can't come to you because my parents really want me to go with them on a New Year trip. We will visit some cities of Russia and come back only on 11th of January.

Anyways, I wish you the best year in your life, to find your love and to be healthy. I hope, we will spend more time together this year.

Write back as soon as you can.

With love,  
Sophie

Hi Daphne,

I wish you the fulfilment of your desires and have fun with your friends!

Unfortunately, I won't be able to come to your New Year's party. My mother is seriously ill and is in the hospital. She will be released home for a while on New Year's Eve so that we can celebrate the New Year together. I don't want to leave her alone because I missed her a lot. I hope we can celebrate well together after. Please, send it back, how did you celebrate?

Love, Julia

WRITING

Dear Julia,  
 Thanks for your invitation, but I can't go to your New Year's party. My mom thinks that New Year is the family holiday, so she didn't allow me to spend it with you. She was so mad at me!  
 I'm sorry for that, but I'll send you a nice gift, which you'll never forget! I hope your new Year's party would be the best in the whole world. So have a good holidays and send me photos!

Bye Julia!  
 With love,  
 Your best friend Milena
